

SENIOR WOMEN'S MISSOURI GOLF ASSOCIATION

February, 2009

The staff and the members of the ladies league of The Falls Golf Club in O'Fallon, MO would like to welcome you to the 35th Senior Women's Missouri Golf Association Championship. Our league is small but our hearts are big and they are ready to meet you and see that you enjoy our course. We have scheduled our event for Monday, October 5 through Wednesday, October 7, 2009.

A practice round starts with a noon shotgun start on Monday, October 5, followed by time to renew friendships and enjoy some tasty goodies and a cash bar.

Our competition begins on Tuesday, October 6, with a noon shotgun start followed by dinner to complete the day. Don't rush back to your lodgings to 'dress up'. Let's just enjoy our golf and dinner in comfy golf clothes.

The final round of competition on Wednesday, October 7, will begin with an 8:00 shotgun start; lunch will be served once we turn in our score cards and await the awards ceremony. If our weather turns cool...we might delay our start a few minutes...but we have ordered warm weather, sunshine and lots of fun...so be prepared to tee it up on your starting hole at 8:00 a.m.

Two membership applications are included with this letter: first, an application for membership for the Missouri Women's Golf Association (MWGA); our bylaws do state that you must be a current member of our state organization. If you are not a current member, complete and mail the application to update your record. (The MWGA website contains the 2009 members: www.mowomensga.org.)

Second, we have included an application for our Senior Women's Missouri Golf Association. Remember that \$2 of our membership fee is donated to the Missouri Women's Golf Education Association each year. Our association has made substantial contributions in past years to further the education of some outstanding young ladies and we thank you.

Bring a friend with you...we need to increase our membership and what better way than to bring a friend! Share a car, share a motel, and share lots of renewed friendships with our members. Soooooo...check your October calendar, check a map, get your clubs cleaned up...and head for O'Fallon. We are looking forward to hearing from you.
